

BioInterface 2022 Workshop & Symposium

November 2 - 4, 2022 | Portland, Oregon
Presenter Agreement

- I agree to participate as a Speaker for the BioInterface 2022 Symposium and Workshop.
- I understand that deadlines are extremely important and agree to meet all of them. I also agree that it is my responsibility to meet these deadlines without multiple reminders.
- I will register and pay to attend the BioInterface 2022 no later than September 30, 2022.
- I will work with my Session Chair, as necessary, to ensure the best presentation possible.
- I agree to present the session as it was agreed upon with my Session Chair.
- I understand that any expenses I may incur to participate in this conference are my responsibility and will not be reimbursed by the Surfaces in Biomaterials Foundation (SIBF).
- I will notify SIBF immediately in the event that an emergency would prevent me from meeting my obligation as a conference speaker.
- Since continuing education is a prime function of this event, I will make my presentation, or a pdf of accepted published material, available to BioInterface attendees. The Foundation will collect the final version of the published presentation at the conference registration desk or it may be emailed to ingrid@surfaces.org.
- I understand I am allotted 15 minutes for my presentation, and 5 minutes Q&A. A microphone, LC projector, PC laptop, and screen will be available for my use. If I have any other audio visual requests, I will send my request to ingrid@surfaces.org.
- By signing, I hereby understand and agree that if I do not complete and submit materials on or before set deadlines that my information will not be included in conference materials.
- I warrant and represent that, to the best of my knowledge, nothing in my presentation violates any proprietary or personal rights of others (including, without limitation, any copyright or privacy rights) is factually accurate, and contains nothing libelous or otherwise unlawful.
- I warrant and represent that my presentation is my own original work, that I have the authority to enter into this Agreement, and that I am the sole copyright holder or that I have obtained all necessary permissions or licenses from any persons or organizations whose material is included or used in my presentation.

I understand that an agreement to speak at the BioInterface conference equates to agreement for SIBF to:

- 1) use my name and/or image in photos, video, internet transmission or other media,
- 2) create and use conference speaker 'teaser or promotional interviews' for publicity of sessions (audio and/or video),
- 3) video record my session for posting on the SIBF website for access by members only.
