

Application for Membership • Surfaces in Biomaterials Foundation

Join the Foundation that brings together the leaders in the surface science community

The Surfaces in Biomaterials Foundation is dedicated to exploring creative solutions to technical challenges by fostering education and multidisciplinary cooperation among industrial, academic, clinical and regulatory communities.

Why join the Surfaces in Biomaterials Foundation?

- Have your voice heard and your interests represented within the surface science and biomedical community
- Join a forum that fosters discussion and sharing of surface and interfacial information while protecting proprietary industrial interests.
- Help develop and manage workshops and symposia that further the worldwide education of surface science.
- Promote the understanding of interfacial issues common to researchers, biomedical engineers and material scientists.

Additional Benefits

- Discounted member rates at BioInterface (company membership entitles all employees to discounted rates)
- One complimentary registration to the BioInterface symposium
- Complimentary exhibit booth at the BioInterface Exhibition
- Company logo scrolling on the home page of the Surfaces website (www.surfaces.org)
- Placement of your company logo on the Surfaces website, 50-word description of your company and link to your company website.
- Discounted advertising rates in the SurFACTS newsletter and website
- Membership lasts 12 months from start of registration
